Mandala®

FEEL THE MAGIC

Pericallis | Mandala®

Enrich your winter assortment with the captivating Pericallis Mandala®. It is guaranteed to attract attention thanks to its attractive, powerful colours (such as Rose, Magenta, and Blue Bicolour) and its unique 'Mandala-effect' bloom pattern. The mandala is a energy-smart cultivation, as it can be produced locally with low energy and without additional heating.

DÜMMEN ORANGE®

OUR ASSORTMENT OF MANDALA®

ADVANTAGES FOR TRADE

- The plant is ideal as a compact pot plant for indoor use during the cold months and can also be used outdoors as an early spring bloomer.
- Unique Colour Experience: Available in powerful shades, such as Rose, Magenta, and Blue**
- Available in stores from Week 1 with supporting POS material, offered in a wide range of pot sizes.

ADVANTAGES FOR CONSUMERS

- Perfect for Indoors and Outdoors: Brings bright, cheerful colours that are ideal for indoors during the cold months, and later perfect as an early spring bloomer outdoors.
- Great Gift Idea: Perfect size as a small, easy-to-carry gift for birthdays, thank-you notes, or simple gestures of appreciation during winter.
- Climate-Friendly Choice: A sustainable and environmentally conscious choice due to its local, low-energy winter production.
